HOW TO CREATE A TWITTER ACCOUNT

How To Go Digital
STEP BY STEP

01 GO TO THE TWITTER WEBSITE
Click the “sign-up box”.

02 ENTER YOUR DETAILS
To create a Twitter account you need to provide Twitter with your name, email, DOB and create a password.

03 CLICK SIGN UP
When you have provided Twitter with the relevant information you are ready to sign-up for your account.

04 PICK A USERNAME
Once you have created your account you will be prompted to choose a Twitter name, they will suggest some but you can also choose your own.

04 DOUBLE CHECK YOUR DATA
Ensure your name, email and Twitter username are all correct. Once you know they are all correct click “create account”.
